Purpose

To state the Company's policy regarding possession of weapons in the workplace.

Scope

This Policy applies to all team members of McWane, Inc., and its divisions and subsidiaries ("McWane" or "Company") as well as to all non-team member visitors to Company premises, including, but not limited to, customers, contractors, vendors, maintenance personnel, shipping and transportation personnel and job applicants.

Policy Statement

The unauthorized possession of any weapon in the workplace, whether intentional or unintentional, is strictly prohibited and may be grounds for immediate disciplinary action, including immediate termination of employment.

For the purposes of this Policy, "workplace" includes any location on Company property and any location where a team member performs work-related duties or is involved in a Company-sponsored event, including, but not limited to, the plant buildings and the surrounding perimeters, parking areas, locker rooms, offices and any off-site locations where work-related duties are being performed.

For the purposes of this Policy, a "weapon" is any item or device with no specific work purpose and the potential to inflict harm on another, including, but not limited to, a firearm, handgun, knife, explosive, chemical dispensing device, club, artificial knuckles or any other item or device the Company, in its discretion, deems dangerous or capable of causing harm.

The Company reserves the right to search any areas on Company property for weapons, including, but not limited to, offices, desks and other furniture, lockers, bathrooms, drawers, containers, lunch boxes, briefcases, personal bags, toolboxes, equipment, Company vehicles and, where appropriate, personal vehicles on Company property.

The Company recognizes that certain states provide for certain limited exceptions to this otherwise complete ban on weapons. Such exceptions may allow for the authorized possession of licensed firearms in certain locations on Company premises under certain circumstances. These state-specific exceptions are set forth on the Company's Human Resources Policies intra-company website. The Plant Manager and/or Human Resources Manager at each Company facility is responsible for implementing the Weapons Policy in accordance with any state-specific law or regulation applicable to their facility.

This prohibition does not apply to duly licensed law enforcement officers or security personnel.

The Company reserves the right to take appropriate action against any non-team member visitor who violates this Policy. Such action can include reporting violative conduct to law enforcement personnel and/or immediate expulsion from Company premises.
